Grade: _____ Teacher: _____

Please see below for more information about PTA.

What is PTA?

The PTA brings together parents and teachers. Being a member helps you and your child feel more at home at the school.

We welcome grandparents, parents, teachers, and others who wish to come together for our children, families, schools and communities.

Why join PTA?

Studies have shown that children do better in school when their parents are involved at the school. PTA offers you the perfect opportunity to get to know your school better.

You will meet many other parents from all over the world. If you speak a language other than English you will be invaluable to us in many ways. The PTA will connect you with other families at the school who speak your language. You will find answers to your questions and services that you need. Your child will be so happy and proud to see your participation and interest in the school.

When you join PTA you...

1. Have already helped us with your dues (annual membership fee)! (This helps pay for newsletters, programs, directory, events and much more).
2. Can attend PTA meetings (interpreters available-ask your PTA President in advance).
3. Can lend us your talents (do you like to bake, read, laminate, help the teacher?).

We look forward to welcoming you!

Shirley Johnson and Sakina Mithwani
